CS 307: Software Engineering I
Homework #2

Due on September 22, 2025 at 11:58pm

Problem 1

Read the paper titled "The Cathedral and the Bazaar" by Eric Raymond.

Write a two to three page report, double-spaced 12pt Times New Roman, summarizing the paper and relating it to your project work as well as future career and job prospects.

Submission

Your paper should be double-spaced using 12pt Times New Roman for the font.
Your paper should be submitted in PDF format on Gradescope. It should be relatively concise and well written. You are (hopefully obviously) expected to use proper spelling and grammar.
